YUMA COUNTY RE-OPENS!

by Shanen L. Aranmór, COVID-19 Historian

As the spread of Covid-19 has slowed and Yuma County has moved to "moderate" transmission status, many schools and businesses are preparing to re-open. (Nearly 75,000 residents have been tested and the current infection rate is 0.99% of the population.) Per CDC Guidelines and Governor Ducey, masks are worn at most businesses, temperatures are taken in healthcare facilities and restaurants with in-person seating is restricted to less than 50% capacity. We will overcome!

This is great news, not only for the local economy but also our mental health! ARIZONA@WORK-Yuma County can help with job training, employment services and so much more. <https://arizonaatwork.com/locations/yuma-county/yuma-county-covid-19-employment-resources>

END-OF-MISSION VETERAN'S EMPLOYMENT WORKSHOP

Arizona@Work-Yuma County Veteran's Workforce

Services assisted DES with an in-person job fair at the Arizona National Guard Yuma Armory for active duty/veteran National Guard members stationed in Yuma while supporting the border mission. Seven agencies recruited a future workforce; 51 American soldiers participated. Thank you YCSO, USBP, USCBP, TRAXX, Mesa PD, PHX PD, Yuma Truck Driving School and Arizona Department of Veterans' Services!
